Nicolas Schweizer starts as Chief Human Resources Officer with Schweizer Electronic AG

Schramberg, April 1, 2011 – Nicolas-Fabian Schweizer (36), qualified lawyer, today resumes his position as Chief Human Resources Officer with Schweizer Electronic AG as of today. He had been appointed by the Supervisory Board on July 27. In his new function he is responsible Human Resources and Legal.

Nicolas-Fabian Schweizer comes with long-term international experience in the areas of Law, Human Resources and organisational development. He completed an education in Law in Germany, Switzerland and the U.S.A. Following positions as a lawyer, legal counsel and Director Human Resources he was recently member of the European Human Resources Management of British American Tobacco Group.

About Schweizer:

Schweizer Electronic AG (WKN 515623) is one of the Top 3 PCB manufacturers in Europe with recognized technology and consulting expertise in the field of automobile, solar and industrial electronics. The company was established in 1849 and is currently managed by the sixth generation of the family.

Schweizer Electronic is focused on complex multilayer and HDI circuits as well as solutions for reducing the system cost and improving the integration of active and passive components on the PC board. In addition, Schweizer Electronic has many answers to the challenges of modern power electronics. With its network of partners, Schweizer Electronic AG offers optimal cost and manufacturing solutions for small, medium and large series.
